PAKISTAN'S ONLY E – SEGMENT LUXURY SUV

TIGGO9 PHEV

CSH CHERY SUPER HYBRID TECHNOLOGY

Chery is a global automobile brand and one of the world's fastest-growing auto manufacturers. With a strong presence in the UAE, Saudi Arabia, Australia, Turkey, and the UK, Chery continues to expand globally.

Driven by innovation and commitment to safety, Chery continues to earn customer trust worldwide.

• No. 1 Automobile Exporter of China for 23 consecutive years

• In over 120+ Countries

• Global user base of over 18.5 million users

• One of the Fastest-Growing Automobile Company

• Global 5-Star Safety NCAP Rating

• Fortune Global 500 Excellence

MASTER AUTO ENGINEERING | MASTER GROUP OF COMPANIES

Master Auto Engineering (MAE) is a part of the Master Group of Industries, one of Pakistan's largest and most trusted conglomerates, with over 60 years of excellence across diverse sectors.

With a 40-year legacy in the automotive industry, Master Group of Industries has consistently driven progress through precision, quality, and innovation.

Built on this foundation of experience and trust, MAE stands at the forefront of Pakistan's automotive evolution, introducing Chery, one of the world's fastest-growing automakers, to redefine mobility for a new generation.

With a clear mission to bring New Energy Vehicles (NEVs) and sustainable technology to Pakistan, MAE is committed to advancing the nation's automotive landscape by blending global innovation with local expertise to create a smarter, cleaner, and more connected future on the road.

GOLDEN RATIO DESIGN

The proportions of the body follow the world's classic **golden ratio (1.618)** design philosophy, to achieve visual harmony and artistic beauty.

WIDEST WIDTH WITH AN EXTENSIVE WHEELBASE

Tiggo 9 makes a statement before it moves. With a commanding **1925 mm width** and an extensive **2800 mm wheelbase**, Tiggo 9 blends authority with aesthetic sophistication.

A STATEMENT OF ELEVATED LIVING

More than a vehicle, Tiggo 9 reflects a lifestyle defined by refinement, confidence, and purpose.

PREMIUM COMFORT - CLOUD SUSPENSION

With flagship comfort delivered through **Cloud Suspension**, Tiggo 9 transforms every drive into a statement of premium lifestyle and intent.

DIAMOND – EMBEDDED GRILLE WITH MATRIX LED_s

The **diamond-embedded grille**, sculpted with a stereoscopic diamond pattern, creates a striking yet refined first impression. Accented by delicately crafted **LEDs & DRLs**, the front profile reflects precision, depth, and modern elegance, a design that commands attention through detail.

| BOLD IN SIZE, GRACEFUL IN DESIGN

Tiggo 9 is designed with a bold bionic silhouette and a commanding, expansive stance. Its **dual-waistline** design seamlessly blends a powerful sculptural presence with the fluid grace of aesthetic sophistication.

| 20" MULTI SPOKE RIMS

Elevating its profile are **20" multi-spoke alloy rims** with **concealed hub design**, crafted for timeless aesthetics. This sophisticated aluminum setup makes a powerful visual statement of precision and performance.

ILLUMINATED ARTISTRY - INFINITY TAIL LAMPS

The rear profile is defined by full width infinity tail lamps that produce a striking **three-dimensional** effect. This infinite light signature features a **ceremonial welcome sequence**, transforming every arrival and departure into a curated event.

WORLD'S BEST **PHEV** TECHNOLOGY

FIFTH-GENERATION HYBRID ELEVATED PERFORMANCE

The Plug-in Hybrid system is built on three advanced components:

DEDICATED HYBRID TRANSMISSION (DHT)

Engineered for 98.6% efficiency, the DHT delivers seamless shifts and rapid response for powerful, confident performance.

DEDICATED HYBRID ENGINE (DHE)

Powered by a 1.5 TGDI turbo engine with 44.5% thermal efficiency, it delivers strong performance with 16.6 km/L efficiency.

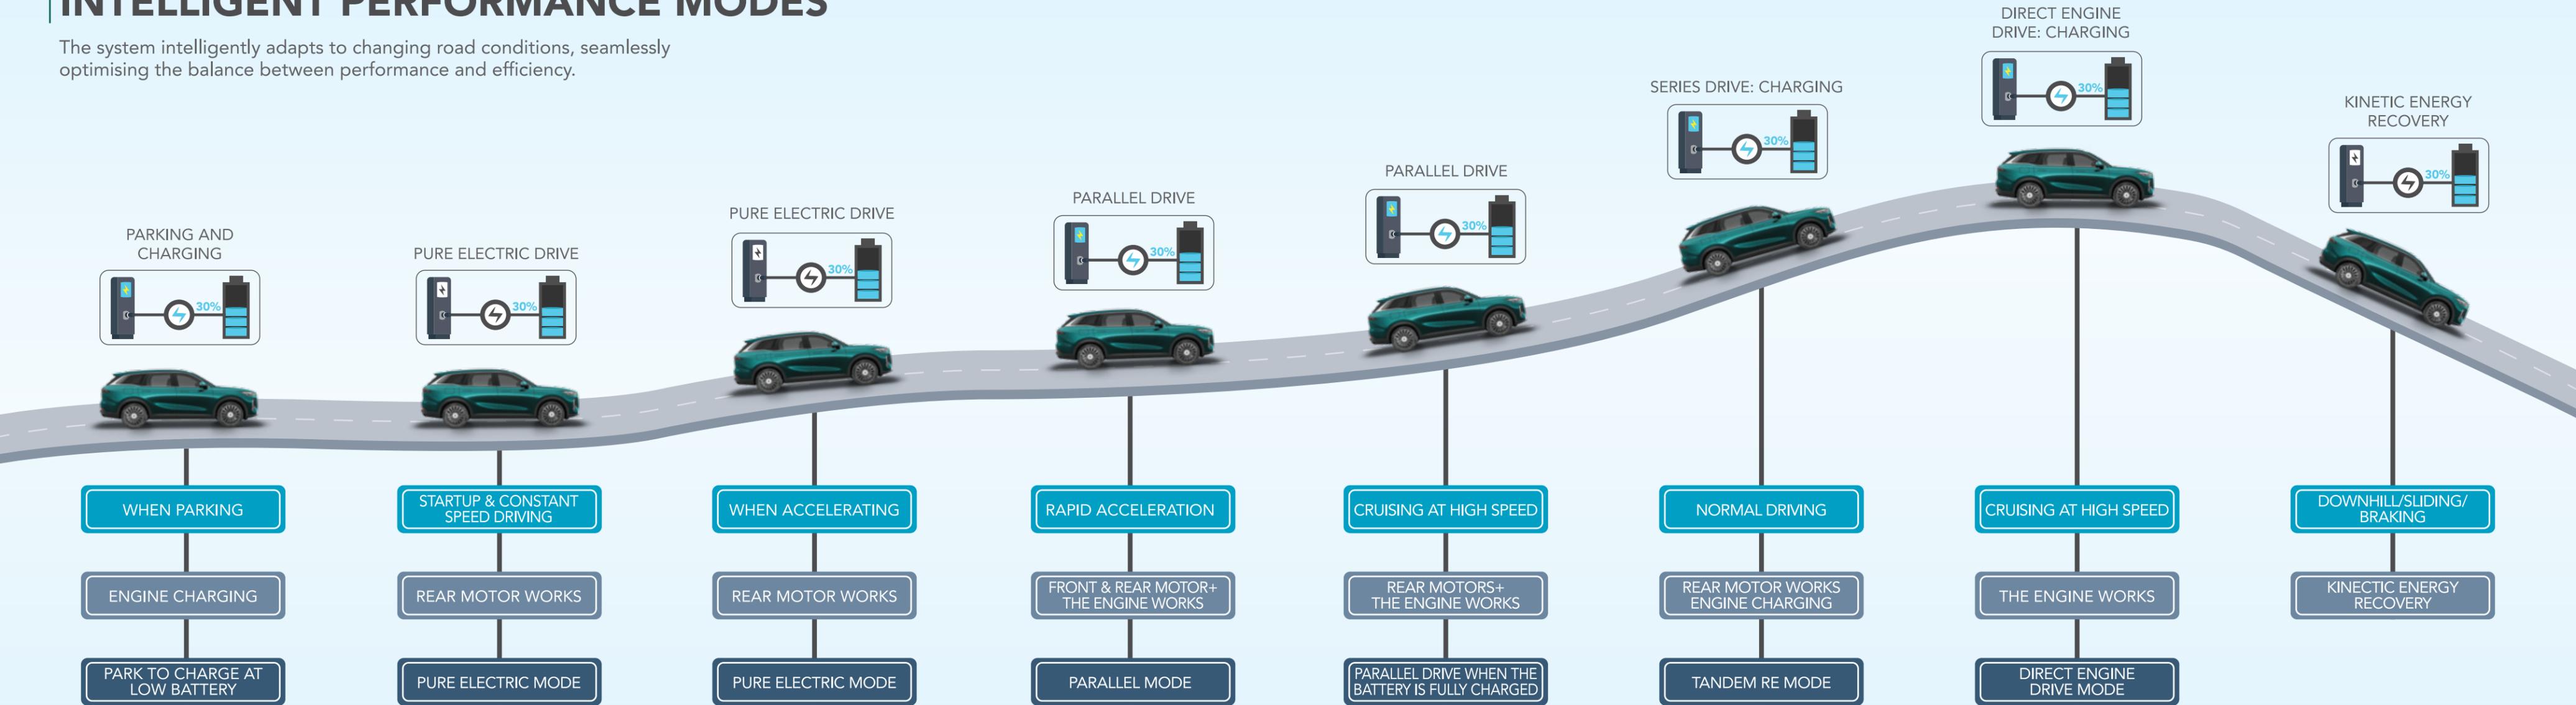

DEDICATED HYBRID BATTERY (DHB)

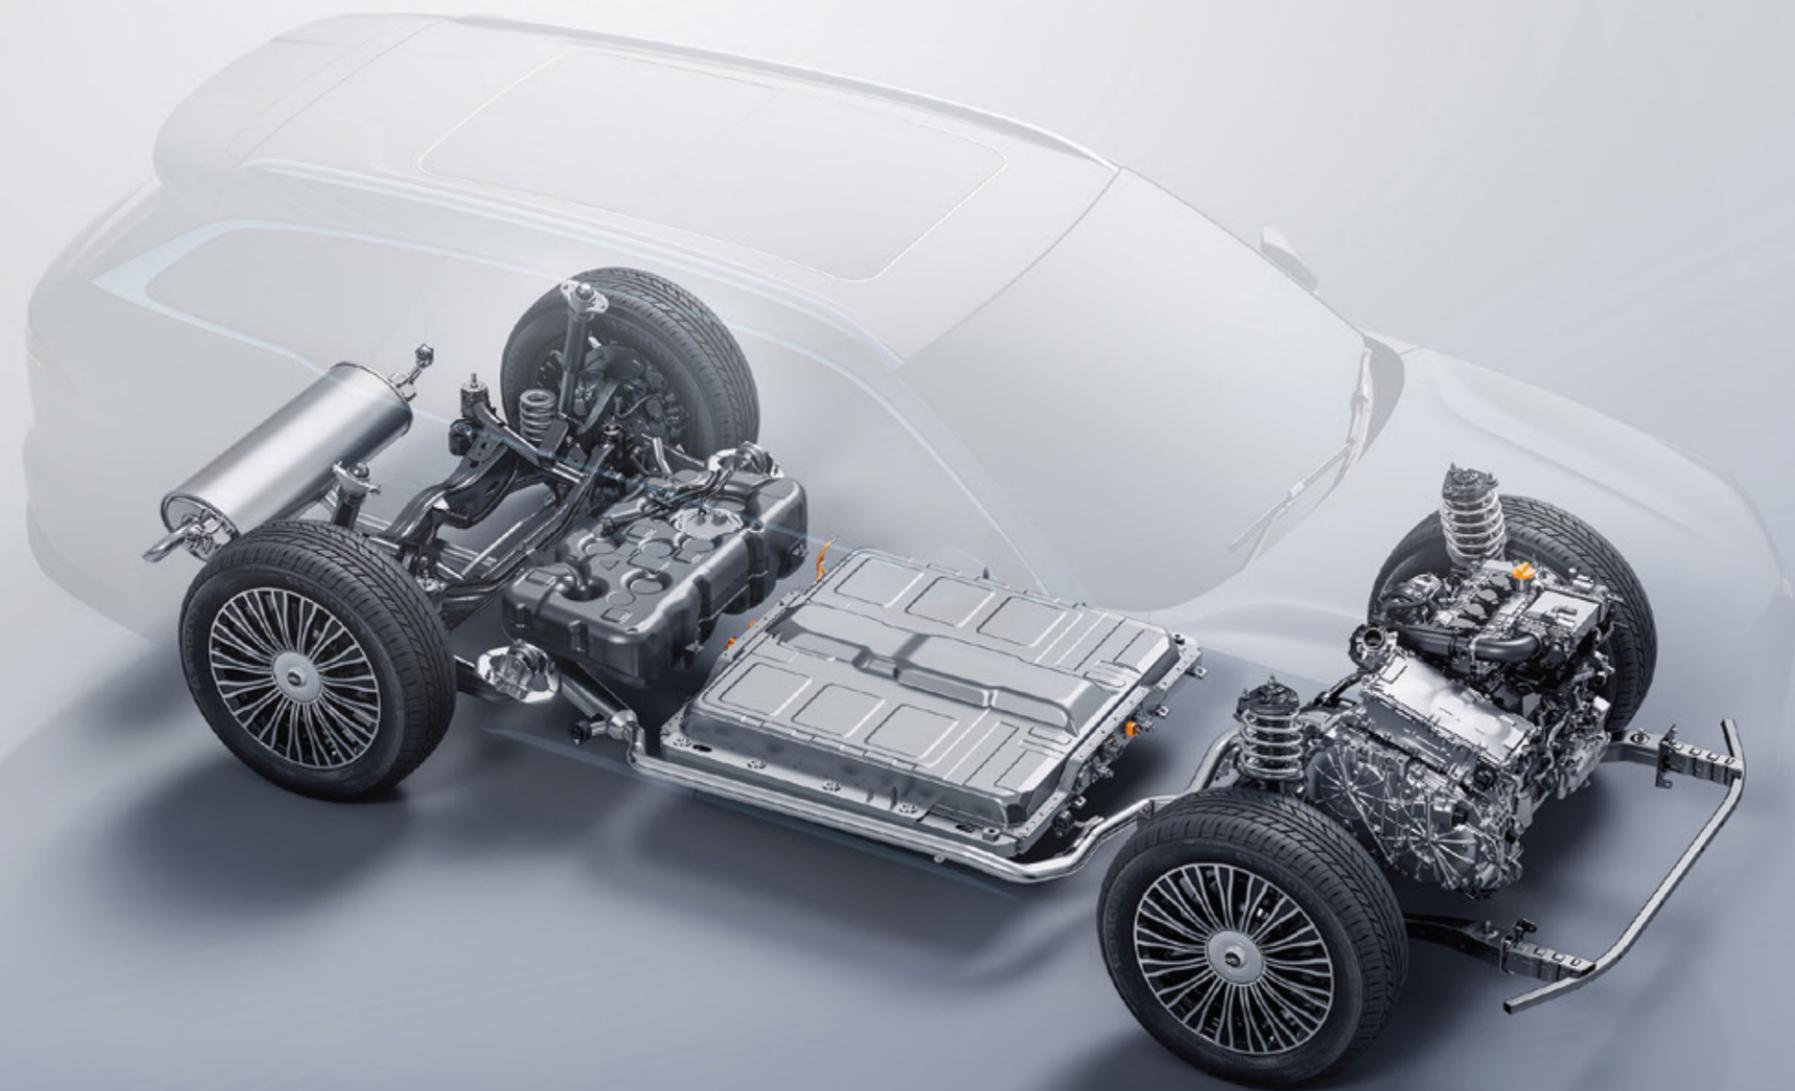

Class-leading pure EV range of 90–170 km, rigorously saltwater-tested and fully dust and water-resistant IP68 rating for uncompromised safety.

INTELLIGENT PERFORMANCE MODES

The system intelligently adapts to changing road conditions, seamlessly optimising the balance between performance and efficiency.

PERFORMANCE WITHOUT COMPROMISE

The Tiggo 9 features a fifth-generation **1.5T** engine (H4J15), paired with a **3-speed** dedicated hybrid transmission and **triple** motor setup. Powered by a **34.46 kWh CATL** lithium iron phosphate battery (IP68 rating).

ULTRA LARGE 15.6" CENTER SCREEN WITH W-HUD

Master the road with an expansive Head-Up Display and a flagship **15.6"** infotainment screen. Driven by the **Snapdragon 8155** Qualcomm processor, the Tiggo 9 ensures rapid and a seamless, lag-free interface for a truly superior journey.

MULTI COLOR AMBIENT LIGHTS

This sophisticated environment is further elevated by **64-colour** multi-ambient lighting, allowing you to curate the cabin's atmosphere to match your mood or the city lights outside.

WIRELESS CHARGING

Tiggo 9 features a high-speed **50W** wireless charging pad with integrated cooling to ensure your devices remain powered and protected.

This interface also provides immediate access to six driving modes: **ECO NORMAL SPORT SAND OFF-ROAD SNOW** to adapt its performance to any terrain or preference.

PREMIUM 14 SONY SPEAKERS

This sophisticated layout features 14 Sony precision-engineered speakers enhanced by 8 distinct listening modes, creating an immersive, high-fidelity moving sound theater.

A SHARED FIRST CLASS EXPERIENCE

The Tiggo 9 transforms every journey into a private retreat. It features welcoming, memory seat with front-row **heated, ventilated, and massage** functions, while the second row offers **heated and ventilated** seats.

540° CLEAR VISION

Complete high definition view of the surroundings, including a **"transparent chassis"** function that reveals the terrain directly beneath the vehicle.

VEHICLE TO LOAD (V2L)

The Tiggo 9 empowers the executive lifestyle with a sophisticated **6.6 kW Vehicle to Load (V2L)**, transforming your flagship SUV into a mobile energy hub.

This advanced capability provides high wattage power for external devices, allowing you to seamlessly transition from the boardroom to a outdoor retreat.

L2+ CHERY DRIVER ASSIST

Beyond its proactive systems, the Tiggo 9 is engineered with L2 + ADAS features to ensure the well-being of all occupants, ensuring complete peace of mind.

- ABS Anti-lock Braking System
- EBD Electronic Brake Force Distribution
- BAS Brake Assist System
- BOS Brake Priority System
- ESP Electronic Stability Program
- TCS Traction Control System
- EBA Emergency Brake Assist
- HAC Hill-Up Assist Control
- HDC Hill-Down Assist Control
- Cruise control
- ACC Adaptive Cruise Control
- AEB Automatic Emergency Braking
- LDW Lane Departure Warning

- TJA Traffic Jam Assist
- ICA Integrated Cruise Assist
- FCW Forward Collision Warning
- BSD Blind Spot Detection
- LDP Lane Departure Prevention
- LCA Lane Change Assist
- RCW Rear-end Collision Warning
- DOW Door Opening Warning
- ELK Emergency Lane Keeping
- RCTA Rear Cross Traffic Alert
- APA Automatic Parking Assist
- IHC Intelligent High Beam Control

PAKISTAN'S SAFEST SUV - 10 AIRBAGS

Class leading with a **10-Airbag (dual-front airbags, front-side airbags, side curtain airbags, second row side airbags, driver knee airbag, distal balloon airbag)** system, the Tiggo 9 offers an uncompromising protective barrier that surrounds every occupant with flag-ship level security.

EXPANSIVE UTILITY LUXURY OF SPACE

The Tiggo 9 redefines versatility within its meticulously crafted interior. With the 2nd and 3rd rows seamlessly folded, the cabin reveals a cavernous **2065 L** of cargo capacity, ensuring that every venture is supported by ample room for equipment or travel essentials.

WE HAVE GOT YOU COVERED

An elevated customer experience that moves with you, at every stage of ownership, is what we are trained to do.

With a dealership network across Pakistan, our dedicated and professional service team is always ready to provide you with the service your automobile needs.
